

Mate in two: White, move 40

Mate in two

White to move

Previous move: 39...Rxd4. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

40. g6+ Kf6 41. Rf8#

40.g6+ Check restricts Black to 1 legal reply here. Recorded reply: **40...Kf6**.

41.Rf8# Mate: rook on f8 gives check; Black has no legal reply.

The line ends in checkmate against the king on f6. Material gain is unnecessary once no legal defense exists.

CHECKPOINT

Which piece delivers the final check, and why can the defender not continue? **Answer:** Rook on f8. The king is in check and the position has zero legal replies.

CARRY THE IDEA INTO YOUR GAMES

The displayed line is one recorded defense. Test other legal replies instead of assuming the defender must copy it.

WHAT THIS POSITION TEACHES

A mating combination must survive the defender's reply. The first move should force a position in which a second move ends the game against every defense.

HOW TO LOOK

Identify the likely mating square and the defender that prevents it. Calculate the forcing move that removes that resource.

The defending king is on f7. Geometrically undefended: rook on d4. Check for tactical protection.
