

Mate in two: Black, move 15

Mate in two

Black to move

Previous move: 15.Qxg4. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

15...Nf3+ 16. Nxf3 Qxg4#

15...Nf3+ Check restricts White to 3 legal replies here. From f3 it attacks king on g1 and knight on h2. Recorded reply: **16.Nxf3**.

16...Qxg4# Mate: queen on g4 gives check; White has no legal reply.

The line ends in checkmate against the king on g1. Material gain is unnecessary once no legal defense exists.

CHECKPOINT

Which piece delivers the final check, and why can the defender not continue? **Answer:** Queen on g4. The king is in check and the position has zero legal replies.

CARRY THE IDEA INTO YOUR GAMES

The displayed line is one recorded defense. Test other legal replies instead of assuming the defender must copy it.

WHAT THIS POSITION TEACHES

A mating combination must survive the defender's reply. The first move should force a position in which a second move ends the game against every defense.

HOW TO LOOK

Identify the likely mating square and the defender that prevents it. Calculate the forcing move that removes that resource.

The defending king is on g1. Geometrically undefended: bishop on b2. Check for tactical protection.
