

Mate in two: White, move 41

Mate in two

White to move

Previous move: 40...Kf8. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

41. Qd6+ Ke8 42. Qe7#

41.Qd6+ Check restricts Black to 1 legal reply here. From d6 it attacks king on f8, rook on c5 and knight on d7.
Recorded reply: **41...Ke8**.

42.Qe7# Mate: queen on e7 gives check; Black has no legal reply.

The line ends in checkmate against the king on e8. Material gain is unnecessary once no legal defense exists.

CHECKPOINT

Which piece delivers the final check, and why can the defender not continue? **Answer:** Queen on e7. The king is in check and the position has zero legal replies.

CARRY THE IDEA INTO YOUR GAMES

The displayed line is one recorded defense. Test other legal replies instead of assuming the defender must copy it.

WHAT THIS POSITION TEACHES

A mating combination must survive the defender's reply. The first move should force a position in which a second move ends the game against every defense.

HOW TO LOOK

Identify the likely mating square and the defender that prevents it. Calculate the forcing move that removes that resource.

The defending king is on f8. Geometrically undefended: rook on d8 and queen on e4. Check for tactical protection.
