

Mate in two: Black, move 34

Mate in two

Black to move

Previous move: 34.Nxa4. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

34...Rb1+ 35. Rxb1 Nc2#

34...Rb1+ Check restricts White to 1 legal reply here. From b1 it attacks king on a1 and rook on c1. Recorded reply: **35.Rxb1**.

35...Nc2# Mate: knight on c2 gives check; White has no legal reply.

The line ends in checkmate against the king on a1. Material gain is unnecessary once no legal defense exists.

CHECKPOINT

Which piece delivers the final check, and why can the defender not continue? **Answer:** Knight on c2. The king is in check and the position has zero legal replies.

CARRY THE IDEA INTO YOUR GAMES

The displayed line is one recorded defense. Test other legal replies instead of assuming the defender must copy it.

WHAT THIS POSITION TEACHES

A mating combination must survive the defender's reply. The first move should force a position in which a second move ends the game against every defense.

HOW TO LOOK

Identify the likely mating square and the defender that prevents it. Calculate the forcing move that removes that resource.

The defending king is on a1. Geometrically undefended: knight on a4 and bishop on e2. Check for tactical protection.
