

## Smothered mates

## WHAT THIS POSITION TEACHES

Trace the knight's route to the checking square and identify the enemy pieces that deny the king its escape squares.

The defending king is on h8. Absolute pin: pawn on g7.

**WORKED CONTINUATION - COVER THIS SECTION FIRST**

**22.Nxf7#** Mate: knight on f7 gives check; Black has no legal reply.

The line ends in checkmate against the king on h8. Material gain is unnecessary once no legal defense exists.

Which piece delivers the final check, and why can the defender not continue? **Answer:** Knight on f7. The king is in check and the position has zero legal replies.

A familiar pattern is insufficient if the knight can be captured. Verify protection and every legal king move.
