

Smothered mates: White, move 30

Smothered mates

White to move

Previous move: 29...c4. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

30. Nh6+ Kh8 31. Qg8+ Rxcg8 32. Nf7#

30.Nh6+ Check restricts Black to 1 legal reply here. The changed line means the queen on d5 attacks the king on g8. Recorded reply: **30...Kh8**.

31.Qg8+ Check restricts Black to 1 legal reply here. From g8 it attacks king on h8, rook on f8 and bishop on g7. Recorded reply: **31...Rxcg8**.

32.Nf7# Mate: knight on f7 gives check; Black has no legal reply.

The line ends in checkmate against the king on h8. Material gain is unnecessary once no legal defense exists.

CHECKPOINT

Which piece delivers the final check, and why can the defender not continue? **Answer:** Knight on f7. The king is in check and the position has zero legal replies.

CARRY THE IDEA INTO YOUR GAMES

A familiar pattern is insufficient if the knight can be captured. Verify protection and every legal king move.

WHAT THIS POSITION TEACHES

A knight can check a king surrounded by its own pieces. Those pieces become a cage because a knight check cannot be blocked.

HOW TO LOOK

Trace the knight's route to the checking square and identify the enemy pieces that deny the king its escape squares.

The defending king is on g8. Geometrically undefended: rook on a5 and queen on e3. Check for tactical protection.
