

Forks and double attacks: White, move 16

Forks and double attacks

White to move

Previous move: 15...Rxf2. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

16. Qxb7+ Kd7 17. Rd1+

16.Qxb7+ Check restricts Black to 2 legal replies here. From b7 it attacks king on c8 and knight on c6. Recorded reply: **16...Kd7**.

17.Rd1+ Check restricts Black to 7 legal replies here.

At the end, nominal material is White 25 / Black 30 (P=1, N/B=3, R=5, Q=9). Over this line, White's balance changes by +1. Activity and king safety still affect the evaluation.

CHECKPOINT

Using P=1, N/B=3, R=5, Q=9, how much does White's material balance change over the complete line? **Answer:** +1: the balance goes from -6 to -5. Count promotions and every recapture, not just the first gain.

CARRY THE IDEA INTO YOUR GAMES

Two attacked pieces do not guarantee a gain if the forking piece can be captured or one target moves with check.

WHAT THIS POSITION TEACHES

A fork attacks multiple targets at once. The combination works when the defender cannot save everything or generate a stronger forcing reply.

HOW TO LOOK

Look for checking forks first, then double attacks on queens, rooks, and undefended pieces. Follow the line until the material is actually collected.

The defending king is on c8. Geometrically undefended: rook on h8. Check for tactical protection.
