

Forks and double attacks: White, move 24

Forks and double attacks

White to move

Previous move: 23...Re8. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

24. Qxe8+ Kxe8 25. Nf6+ Ke7 26. Nxg4

24.Qxe8+ Check restricts Black to 2 legal replies here. The move also takes the rook on e8. Recorded reply: **24...Kxe8**.

25.Nf6+ Check restricts Black to 3 legal replies here. From f6 it attacks king on e8 and queen on g4. Recorded reply: **25...Ke7**.

26.Nxg4 The knight captures the queen on g4.

At the end, nominal material is White 15 / Black 11 (P=1, N/B=3, R=5, Q=9). Over this line, White's balance changes by +5. Activity and king safety still affect the evaluation.

CHECKPOINT

Using P=1, N/B=3, R=5, Q=9, how much does White's material balance change over the complete line? **Answer:** +5: the balance goes from -1 to +4. Count promotions and every recapture, not just the first gain.

CARRY THE IDEA INTO YOUR GAMES

Two attacked pieces do not guarantee a gain if the forking piece can be captured or one target moves with check.

WHAT THIS POSITION TEACHES

A fork attacks multiple targets at once. The combination works when the defender cannot save everything or generate a stronger forcing reply.

HOW TO LOOK

Look for checking forks first, then double attacks on queens, rooks, and undefended pieces. Follow the line until the material is actually collected.

The defending king is on f8. Geometrically undefended: rook on h8 and queen on g4. Check for tactical protection.
