

Forks and double attacks: White, move 23

Forks and double attacks

White to move

Previous move: 22...Rdf8. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

23. Qxf8+ Rxf8 24. Nb6+ Kc7 25. Nxd7

23.Qxf8+ Check restricts Black to 6 legal replies here. From f8 it attacks king on c8, rook on g8 and bishop on d6. Recorded reply: **23...Rxf8**.

24.Nb6+ Check restricts Black to 3 legal replies here. From b6 it attacks king on c8 and queen on d7. Recorded reply: **24...Kc7**.

25.Nxd7 The knight captures the queen on d7.

At the end, nominal material is White 21 / Black 16 (P=1, N/B=3, R=5, Q=9). Over this line, White's balance changes by +5. Activity and king safety still affect the evaluation.

CHECKPOINT

Using P=1, N/B=3, R=5, Q=9, how much does White's material balance change over the complete line? **Answer:** +5: the balance goes from +0 to +5. Count promotions and every recapture, not just the first gain.

CARRY THE IDEA INTO YOUR GAMES

Two attacked pieces do not guarantee a gain if the forking piece can be captured or one target moves with check.

WHAT THIS POSITION TEACHES

A fork attacks multiple targets at once. The combination works when the defender cannot save everything or generate a stronger forcing reply.

HOW TO LOOK

Look for checking forks first, then double attacks on queens, rooks, and undefended pieces. Follow the line until the material is actually collected.

The defending king is on c8. Look for a defender that can be displaced or overloaded.
