

Attraction tactics: Black, move 22

Attraction tactics

Black to move

Previous move: 22.a4. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

22...Qxf1+ 23. Kxf1 Re1#

22...Qxf1+ Check restricts White to 1 legal reply here. The move also takes the rook on f1. Recorded reply: **23.Kxf1**.

23...Re1# Mate: rook on e1 gives check; White has no legal reply.

The line ends in checkmate against the king on f1. Material gain is unnecessary once no legal defense exists.

CHECKPOINT

Which piece delivers the final check, and why can the defender not continue? **Answer:** Rook on e1. The king is in check and the position has zero legal replies.

CARRY THE IDEA INTO YOUR GAMES

The opponent may decline the offered material. Compare refusal with the recorded continuation before calling the sacrifice forced.

WHAT THIS POSITION TEACHES

Attraction draws a piece onto a square where a later tactic becomes possible. Sacrifices often work by changing the king's or queen's location rather than winning immediately.

HOW TO LOOK

Ask which enemy piece must be moved to a specific square for your next check, fork, or mating pattern to work.

The defending king is on g1. Geometrically undefended: rook on f6. Check for tactical protection.
