

Quiet tactical moves: Black, move 21

Quiet tactical moves

Black to move

Previous move: 21.hxg3. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

21...Bg2 22. Qxf3 Bxf3

21...Bg2 The bishop moves from h3 to g2. Recorded reply: **22.Qxf3**.

22...Bxf3 The bishop captures the queen on f3.

At the end, nominal material is White 25 / Black 29 (P=1, N/B=3, R=5, Q=9). Over this line, Black's balance changes by +8. Activity and king safety still affect the evaluation.

CHECKPOINT

Using P=1, N/B=3, R=5, Q=9, how much does Black's material balance change over the complete line? **Answer: +8:** the balance goes from -4 to +4. Count promotions and every recapture, not just the first gain.

CARRY THE IDEA INTO YOUR GAMES

Because the move is not forcing by check, the opponent has time for counterplay. Test every serious check and direct threat.

WHAT THIS POSITION TEACHES

A quiet move can win by threatening something the defender cannot meet, even though it gives no check and makes no capture. It often supplies the missing support in a near-working combination.

HOW TO LOOK

Use failed forcing lines to identify an escape square or defender. Search for a move that removes that resource while keeping the threat.

The defending king is on g1. Geometrically undefended: bishop on f6. Check for tactical protection.
