

Quiet tactical moves: Black, move 35

Quiet tactical moves

Black to move

Previous move: 35.R1g2. Gold borders mark its start and finish.

WORKED CONTINUATION - COVER THIS SECTION FIRST

35...Re8 36. Bd2 Qd1+ 37. Rg1 Qxd2

35...Re8 The rook moves from c8 to e8. Recorded reply: **36.Bd2**.

36...Qd1+ Check restricts White to 3 legal replies here. From d1 it attacks king on h1, rook on g4 and bishop on d2. Recorded reply: **37.Rg1**.

37...Qxd2 The queen captures the bishop on d2.

At the end, nominal material is White 16 / Black 18 (P=1, N/B=3, R=5, Q=9). Over this line, Black's balance changes by +3. Activity and king safety still affect the evaluation.

CHECKPOINT

Using P=1, N/B=3, R=5, Q=9, how much does Black's material balance change over the complete line? **Answer:** +3: the balance goes from -1 to +2. Count promotions and every recapture, not just the first gain.

CARRY THE IDEA INTO YOUR GAMES

Because the move is not forcing by check, the opponent has time for counterplay. Test every serious check and direct threat.

WHAT THIS POSITION TEACHES

A quiet move can win by threatening something the defender cannot meet, even though it gives no check and makes no capture. It often supplies the missing support in a near-working combination.

HOW TO LOOK

Use failed forcing lines to identify an escape square or defender. Search for a move that removes that resource while keeping the threat.

The defending king is on h1. Absolute pin: rook on g2.
